Specklekit: You can't hear anything!

Snowkit: Except your face...

Brackenfur: Fireheart, I want to be his mentor.

Fireheart: WHY THE FLIP WOULD YOU WANT TO DO THAT?

Snowkit: I just wanna have fun.

Fireheart: You be quiet while we judge you harshly!

Snowkit: Moommmmyyyyyyy take me to the water park :D

Speckletail: There is no water park!

Sandstorm: Snowkit you need to let it go.

Fireheart: OH NO WE ARE NOT GOING THERE!

Hawk begins to circle over camp *Thunderclan cats start to scream and hide*

Greystripe: DOES NOBODY CARE ABOUT THE FACT THAT IT'S ONLY SLIGHTLY LARGER THEN WE ARE AND THERE ARE LIKE 20 OF US?

Specklekit: Hurry little one come into the bushes!

A/N FIRST CHAPTER OF THIRD AND LAST BOOK!

I don't know if this is good or bad news, but the chapters are going to be shorter and more frequently updated, because I've got something fun coming out after this- and once this book is finished I'll be doing that plus some of the more normal warriors fanfictions.

Sound good?

I think we good here. Hope you enjoyed!

Firestar's refridgerator

Dear notebook thingy,

I have no idea how long I have been in this dark, cold place.

I've eaten all the chicken wings and a baguette. I probably don't have much longer.

Someone must have been here before me. There is a working HDTV and a notebook and a pen, but the TV will only show animal planet and it's almost as scary as sandstorm. I decided to start writing something in this notebook. I am not sure whether to call this a diary or a will, because I am not nearly as fancy as some of the cats here. Mainly just Tallstar. Tallstar is pretty fancy.

But that's not the point. The point is that I am running out of food and I need to pay my internet bill, so I decided to give away eveything I own. To cloudtail, this pineapple I used to use to transport him from place to place. I'm a really bad uncle :/

To sandstorm, I bestow upon you my love. Because I will never part with this 14 karot gold collar.

And finally, to leafpool and squirrelflight, you get to do all my chores. Have fun children, and just remember to break a window every now and then for no apparent reason.

I would love you all more if you had gotten me out of here.

Graystripe: Firestar, are you there?

Firestar: SHUT UP I'M DYING!

Greystripe: You've been in there for 20 minutes!

Ashfur: And where the heck are my chicken wings?

Greystripe: JUST GET OUT OF THE REFRIDGERATOR

Firestar: *Picks up TV like the hulk and bursts out of refridgerator, carrying it off into sunset*

Cloudtail: *Picks up notebook* Wait... pineapple?

Brightheart: I told you so! We're taking you to Jayfeather right now!

Cloudtail: WAIT BUT I'M NOT INSANE! I JUST REALLY NEED TO PAY THE PIZZA DELIVERY GUY!

Brightheart: *Drags him into medicine den*

Pizzafur: Fine, have it your way *Walks away with pizza*

Brambleclaw: Where'd firestar go?

Greystripe: He was writing his will on a notebook inside a refridgerator and hiding a gold necklance from sandstorm, then he came out and saw the pizza delivery guy so he stole his own HDTV and ran away with it.

Brambleclaw: HE OWES ME 17 CENTS! *Steals a grocery cart and rides off after him*

Greystripe: ...*Flame-throwers refridgerator*

Squirrelflight: And we gonna let it burn, burn, burn, yeah we gonna let it burn!

Mousefur: MOUSEFUR IS NOT AMUSED *Insert not amused meme face*

Ashfur: LEIK A BO$$ YO!

Power of pie

Hollyleaf: EVERYONE WE CAN EAT PIE!

Lionblaze: Yes, hollyleaf, we know.

Jayfeather: Okay look I understand that!

Firestar: What's going on over here?

Hollyleaf: We can eat pie.

Firestar: Uhh why..?

Hollyleaf: Because we can.

Firestar: You can?

Hollyleaf: *Leans really close to him* All the pie :3

Jayfeather: What stick?

Lionblaze: Jayfeather you've eaten too much catnip go home. *Pats him on shoulder and walks away*

A/N Okay, a few things to say!

1. For every 100 followers, I will put out a new book! I have three that I'm working on so far, hopefully there will be a new book soon. It most likely won't be a warrior fan-fiction, however. Maybe it will. Still waiting for a reply on the matter.

2. New book, new allegiances! Some of the fans on the old allegiances are no longer relevant to this book. So I thought I may as well make some new allegiances! The next chapter will be the new and improved hopeclan allegiances. This is your chance to come back to it! This is completely new, so even if you were

previously a hopeclan cat, you will have to re-sign up. Remember, comment on the next chapter and not this one!

And, finally...

3. Same as last book, this one wil have a main storyline! And, same as last book, it will be updated on double digits. That means we're two away- 11, 22, 33, 44, 55, 66, 77, 88, and 99.

Thank you everyone, for about the 1,000,000th time! I got 100 followers in 42 days- that's absolutely insane! Two or three people to join my kohai army every day...

700th was Rainy_Day_Writing. Just so happens that my 600th was her other account RippleclanCats...

Two year anniversary...? A/N

Omsc /)_< I feel soooo stupid right now. You have no idea.

Since the new updates, you can no longer see what day you joined the website. I had a few guesses in mind for what it might be, apparently it was earlier than I thought. I thought it was some time in september- that's when school started, and I thought that's when I made my account. Apparently I was wrong... I don't know how, I'm always right. Although technically I'm still right, because this date was one of my predictions.

Therefore, I am still right about everything :3

So my actual 2 year anniversary on the site was on Ma rch 28th. Which also happens to be one of my friend's birthdays. Not relevant to the situation.

Anyway, I got my computer back today! So I shall do a belated celebration chapted, and try and get a few more updates out of this.

My starclan though... I feel like a complete idiot about that. I've watched horror let's plays and reactions and jump scares, and none of them ever really scared me very much. And then I scrolled down to where it says "Joined _ years/months/days/hours/ seconds/ millenium ago", my heart quite literally skipped a beat. Or, like, 70. I need to facewall so badly right now DX

Starclan /)._.(

I'm just going to post this before I continue to obsess over it. But wo-

Lol I took way too long to update

Firestar: APRIL FOOLS EVERYONE!

Jayfeather: Yeah firestar, we sorta missed that. By like 5 days.

Firestar: ...GOSH DARN POLITICS!

Brambleclaw: What da flip we do now?

Leafpool: I HAVE FORGOTTEN HOW TO SPOOF. DON'T KNOW HOW SPOOF HALP PLZ.

Squirrelflight: *Slow clapping*

Sandstorm: You're supposed to play a prank or something for april fools.

Firestar: *Whips out katana* YOU UNDERMINE MY AUTHORITY ONE MORE TIME AND I WILL FIND A BOWL OF RICE AND I WILL EAT IT.

Sandstorm: 'Tis not even relevant-

Firestar: *Eats bowl of rice* *Dies*

Lionblaze: I just wanted a toy train. Why will nobody ever buy me a toy train?

Hollyleaf: *Pokes him* Why woud they?

Lionblaze: *Pokes hollyleaf harder*

Hollyleaf: *Pokes Lionblaze*

Lionblaze: *Pokes hollyleaf*

Hollyleaf: *Shoves Lionblaze into wall*

Lionblaze: Ow...

Jayfeather: I think this is the best one to far. No plot, no asdfghjg yfgakghdgvjdgzdvdbvc and now the system's malfunctioning!

Tigerstar: *Leaps out of bushes* MUAHAHA I HAVE BEEN SECRETYL PLOTTING YOUR DEMISE FOR THE LAST *hamster*.

Birchfall: YOU IMPOSTER! *Throws soid gold bus cannon at him*

Giant neon letters appear saying "Boss fight begin!"

Birchfall: I have been preparing for this moment for the last 17 and a half seconds...

-Starclan-

Starclan cats are huddled around moonpool

Bluestar: I have summoned you all here today...

Feathertai: We were already here.

Bluestar: To watch a SHUT UP *Cough* boss fight down on earth...

Yellowfang: The united states of earth? :D

Bluesar: Fight begin!

-United states of earth-

Sandstorm: BEGIN!

Tigerstar uses fury swipes.

Birchfall counters with "That's copyright bruh".

The attack fails.

Birchfall uses acorn throw.

It is not very effective. Critical hit.

Tigerstar loses .5 HP.

Birchfall stand awkwardly ad contemplates his life choices.

Tigerstar whips out a dinosaur and commands it to attack.

The dinosaur runs away. Tigerstar is killed by recoil damage.

Birchfall wins the battle.

Birchfall: YAY I WIN! Also, I should stop eating trees.

Sandstorm: So nobody cares about the giant rabid lizard monster that's now running rogue in our territory?

Thunderclan: *Silent*

Sandstorm: Yeah me neither. *Presses button to activate disco mode*

Thunderclan: *All start dancing*

Cloudtail: Celebrate, c'mon!

Tigerstar: YOU'LL RUE THE DAY- hey cupcakes :D *Skips away into bushes*

Longtail: EVERYONE THE BACKUP DANCERS ARE COMING!

Sandstorm: The what now ._.

Dinosaur rampages through camp and tramples everyone

Longtail's spirit: 'Twas the night before easter, and all through the cake-

Sandstorm: No. *Slaps him*

A/N CHAPTER! FINALLY! Are there any spoofs people would like to see?

Easter spoof on easter!

Leopardstar: Welcome, to the 75th annual-

Mistyfoot: *Punches her in shoulder*

Leopardstar: Easter egg hunt. I was totally going to say easter egg hunt.

Blackstar: Does anybody legit have anything to announce at this garden? I mean gathering? Where is my mind right now...

Firestar: Uh yeah Crazystar and randomclan have been missing for about two weeks?

Onestar: I BEAT MY HIGH SCORE ON MLG FLAPPY BIRD!

Everybody looks up at him and cheers

Onestar: YAY! *Jumps off ledge and starts crowd surfing*

Leopardstar: AND WE'RE HAVING AN EASTER EGG HUNT!

Lionblaze: Do we get to eat the eggs?

Leopardstar: No.

Frostfire: Are they free range?

Leopardstar: No. AND THERE IS A REASON WE DIDN'T INVITE YOU!

Frostfire: Because I'm fabalus? *Tries to be swag and trips over about ten cats*

Jayfeather: Uh... HEY LOOK FROSTFIRE A GUMMY BEAR!

Frostfire: I am not one to be so easily fooled -.-

Jayfeather: Fine then. HEY LOOK FROSTFIRE A SIMPLE BUT ENTERTAINING OBJECT!

Frostfire: I WAN IT! *Prances off of island, walks across the water and disappears*

Firestar: The amount of majestic though.

Onestar: Okay, there are a bunch of eggs hidden near the great oak! I don't really know how to count, but I estimate that there are about... 700,000,000!

Leopardstar: *Facepaws* Just go...

All cats start screaming and running across the log

Easter bunny: BUT MY CHILDREN!

Cloudtail: *Snickers* You said butt. :]

Easter bunny: Fudge you. *Walks away*

A/N DERP LAZY.

The final form (Part 3 of the Quest for Random)

Graystripe: Hold on. Hold on. Hooooolllllddddd ooonnnnnnn. Hold. Just. Hold on a second. Hooooollllll-

Timelord: An entire clan has disappeared into the void, it's a fixed point in time, but I double checked and this is the last time a clan disappears.

Frostfire: ...Good..?

Timelord: Good.

Frostfire: Does this mean I have to write new allegiances, or-

Timelord: YES. YES IT DOES.

Companionpaw: *Sighs again* It was part of the terms and conditions. *Hands piece of paper*

Frostfire: I never- *Sees signature* DARN IT. STUPID WIBBLY WOBBLY TIMEY WIMEY...

Companionpaw: Stuff.

Frostfire: DON'T FINISH MY SENTENCES!

Moonshine: *Repeatedly nudges Frostfire's shoulder*

Frostfire: This is you biggest fan, by the way.

Timelord: Great! So, since I'm kind of leaving all of creation in your paws at this point, I thought it appropriate to add the fact that you

can create who or whatever you want. At any time.

Moonshine: You're leaving creation... to her?

Frostfire: *Starts grinning*

Moonshine: Who had this idea.

Frostfire: THERE IS SOMETHING EXTREMELY IMPORTANT THAT I NEED TO DO.

Sandstorm: I'm really lost :D

Magical portal appears in the sky, cat falls out and splats onto the ground

Moonshine: YOU JUST KILLED A DUDE!

Frostfire: No, no. Wait for it.

Complete silence ensues

Sandstorm: ... *Facepaws* *Grabs cloudtail* *Leaves*

Cloudtail: I just wanted to get my happy meal ;-; *Hangs head and trudges away*

Greystripe: You broke him >:|

Spiderleg: *Slowly takes out camera and starts vlogging*

Hollyleaf: *Watches demonically from bushes*

Cat that fell from the portal: *Suddenly wakes up, gasping for air* Where- what- Oh. Hello.

Moonshine: ...No.

Frostfire: *Grin widens*

Cat: Captain Jack, time agent. And who might you two be?

Moonshine: This. This is a no.

Frostfire: *Falls over forward*

Timelord: So glad to hear it! It's up to you to create an entire new clan, and do as you choose in the name of peace.

Frostfire: HIERARCHY!

Timelord: Or... or that. I suppose.

Companionpaw: I didn't sign up for this.

Captain Jack: I'm enjoying it :3

Frostfire: *Laughs awkwardly and falls over again*

Timelord: Great! So you can get to creating this new clan of yours, and-

Portal reappears and thousands of alien starships come pouring out

Frostfire: *Continues to grin stupidly*

Timelord: That is a problem.

Companionpaw: How can you just stand there?!

Frostfire: ...Does anyone want to join me in running for our lives?

Moonshine: Affirmative.

Everyone flees

Cloudtail: *Returns holding a happy meal* *Looks up* *Drops box* WELL THAT'S JUST GREAT! How am I supposed to fly my magic carpet now?!

Greystripe: Penguins.

Cloudtail: But-

Greystripe: Shh-

Cloudtail: B-

Greystripe: Shhhhh.

Cloudtail: O-O

Greystripe: Penguins. Just, penguins.

Frostfire: *Narrows eyes and backs up into the indoor bushes*

Moonshine: *Slowly walks out door and down hall*

Brightshadow: *Opens door and walks in* ....Guys?

~~~Interview room 1~~~

Frostfire: So, I have a couple of questions to ask. First of all-

Sonicspeed: MY NAME IS SONIC I LIKE TO GO FAST.

Frostfire: Can you go slower :|

Foxtail: He has to go fast.

Sonicspeed: I DO.

Frostfire: *Straightens papers* *Looks up* *Flees*

~~~Interview room 2~~~

Moonshine: Welcome to the studio. You've come in hopes of joining the new clan?

Thunderstreak: This correct, cat of the moon.

Moonshine: I can already tell that this is going to go great.

Spiderheart: I came here of my own accord.

Ironblade: She didn't.

Greenrage: I came for free food :3

Moonshine: Most of that belongs to frostfire. Don't touch it.

Greenrage: >:|

Moonshine: *Sighs* Can any of you tell me something about yourselves?

Starshield: *Raises paw* I have a fear of ice blocks.

Hawkeye: I do things sometimes.

Greenrage: *Starts eating noodles*

Frostfire: *Kicks down door* SOMEBODY TOUCHED THE NOODLES. WHO WAS IT.

~~~Interview room 3~~~

Brightshadow: Hello.

Wizardpaw: I'M A WIZARD!

Gingerpaw: I AM ALSO A WIZARD!

Snakepaw: I AM A WIZARD TOO!

Knowledgepaw: Nope.

Snakepaw: *Mutters* Father's gonna here about this...

Brightshadow: Must anything else be said?

Cedarpaw: I AM A WIZARD AS WELL!

Brightshadow: You're in the wrong fandom.

Cedarpaw: ;-;

Brightshadow: YOU HAVE BEEN SHUNNED!

Cedarpaw: ._. *Changes name to "Vampirefang" and trudges away*
~~~

Frostfire: *Kicks down door* SOMEBODY SHUNNED THE NOPE. WHO WAS IT?

Moonshine: *Walks up behind* This is why we have a door fixer on speed dial.

Brightshadow: That's a thing?

Frostfire: I have the power of creation!

Moonshine: And you use it to fix doors?

Frostfire: YOU DON'T KNOW MY LIFE! *Dives into bushes*

A/N: Okay, huge request for everyone! This is just to give everyone an idea of a few of the new FandomClan characters- and also to take up some space, because I want to finish this soon. I'm going to list a few specific fandoms (you may suggest more), and you are to submit 1-5 characters to be in the allegiances. You will not control these characters, but they may appear! You may also suggest other Fandoms for the list.

Fandom list:

Supernatural, Bones, Minecraft, Harry Potter(Done), Percy Jackson, AoS, FNaF, Sonic (Done), Hunger Games, Twilight, Maze Runner, Divergent, Doctor Who, Arrow, Sherlock, Lord of the Rings, Star Wars, Fairy Tail, One Piece, SAO, Avengers (Done), X-Men.

If you would like to help...

Step 1: Choose on of the above categories to create your character(s) from. They should be main characters in the show/game etc.

Step 2: Create the warriors cat names for these characters based off their traits or origins.

Step 3: Give a short explanation of the character (Which

character they were based off of, what they do, and personality. Some of the above Fandoms I do not have too much knowledge of.)

Step 5: Supply an over-exaggerated stereotype for the character (Examples: Hermione's character knowing everything, Hawkeye being sort of uninteresting)

Step 6: Write a short spoof of this/these character(s) being interviewed by a personal OC, or by one of the cast here.

Step 7: Send the above to my inbox in a PM.

If I don't get enough, I'll make it up on my own, but these take a lot of time and I would love the help! I really want to get this book finished and start on my next warriors ambition.

Thank you!

If you're on Chickensmoothie, I have random free pets :3

~Frosteh
